Statement of Equal Opportunity, Access, and Nondiscrimination

The Colorado School of Mines (“Mines”) is committed to equal opportunity for all persons. Mines does not discriminate on the basis of age, sex, gender (including gender identity and gender expression), ancestry, creed, marital status, race, ethnicity, religion, national origin, disability, sexual orientation, genetic information, veteran status, or current military service. Further, Mines does not retaliate against community members for filing complaints regarding or implicating any of these protected statuses.

Mines’ commitment to non-discrimination, affirmative action, equal opportunity, and equal access is reflected in the administration of its policies, procedures, programs, and activities and in its efforts to achieve a diverse student body and workforce.

Through its policies, procedures, and resources, Mines complies with federal law, Colorado state law, administrative regulations, executive orders, and other legal requirements to prevent discrimination (including harassment or retaliation) within the Mines campus community and to address potential allegations of inequity or concerns for safety.
