How do I locate a Blue Priority PPO Designated Tier 1 Primary Care Physician?

Step 1:

**Anthem.com**

Select **FIND A DOCTOR** (located on the right side of screen)
Step 2:

If you are a member, you can search using the ‘Search as a Member’ option.

If you are not yet a member, you can search using the ‘Search as a Guest’ option. (Search by Selecting a Plan or Network)
Step 3:

Select type of Care (i.e. Medical)

Select State (i.e. Colorado)

Select Plan/network (i.e. Blue Priority PPO)
**Step 4:**

Select type of physician you are looking for (i.e. Doctor/Medical Professional)

Select Specialty (i.e. Family/General Practice, Internal Med)

Select Location

If searching for a Primary Care Physician, be sure to check the boxes for both ‘Accepting New Patients’ & ‘Able to serve as Primary Care Physician’

Click **Search**
Results:

The results page will identify the Primary Care Physicians for the search criteria selected.

Below are the Blue Priority PPO Tier identifiers:

- Designated *Tier 1* PCP
- Participating Provider *Tier 2* PCP

*Please note:* These steps can be taken to locate a ‘Specialist’ within the Blue Priority PPO network as well.
Locating any other Network Provider

(**This can be used to search for Participating Providers under the Current ‘Prime’ plan, POS, and the New High Deductible plan)**

Need a doctor?
Finding one online is fast and easy.

With our Find a Doctor online tool, it's simple to look for doctors who are part of the Anthem Blue Cross and Blue Shield network. Whether you're checking to see if a family favorite is in the network or looking for someone new, it's a snap.

If you're already a member:
1. Log in to anthem.com.
2. Under Useful Tools on the right, select Find a Doctor.
3. Select the doctor or health professional you're looking for and choose Search.
4. For more info about a provider (like skills and training), just select that name in the directory.

New member search tip
If you don't know the name of your health plan or are about to join a new plan, talk to your company's benefits administrator or human resources staff.

If you're not a member:
2. Under Useful Tools on the right, select Find a Doctor.
3. Under Search by selecting a plan/network, go to Select a state. You can enter the name of your state or select it from the drop-down list.
4. Under Select a plan/network, you can enter the name of your plan/network or select it from the drop-down list then choose Select and Continue.
5. Using the drop-down boxes, select what type of doctor and the location you're looking for, then select Search.
6. For more info about a provider (like skills and training), just select that name in the directory.
